proposed jury instructions, trial briefs, suggested verdict forms, proposed findings of fact and conclusions of law, and witness lists. The procedure for the submission of exhibits is set forth below.

- The defendant is encouraged also to submit to Senior Judge Bataillon's chambers at least five working days before trial proposed jury instructions, a trial brief, discovery material to be used at trial, and an exhibit notebook. Any materials so submitted shall not be disclosed to the government unless the defendant specifies otherwise.
- A party's witness list must include the full name and address of each witness whom the party may call to testify at trial. The address of each Government witness shall not be distributed or communicated to any individual other than defense counsel or the defense investigators.
- Parties are encouraged to submit proposed jury instructions on disk.

#### Exhibits:

- All exhibits must be pre-marked with stickers that indicate whether the government or the defendant is offering the exhibit.
- The government's exhibits shall begin with the number "1" and shall be numbered consecutively. If the government's last exhibit is a two-digit number (e.g., "34"), the defendant's first exhibit number shall be "100." If the government's last exhibit number is a three-digit number, the defendant's first exhibit number shall be a three-digit number rounded up to the next hundred. Thus, if the government's last exhibit number is "134," the defendant's first exhibit number would be "200."
- Exhibits must be listed before trial on exhibit forms available from the Clerk's office or on our web page at [www.ned.uscourts.gov](http://www.ned.uscourts.gov) (Forms). [In this case the address of each witness shall not be distributed or communicated to any individual other than defense counsel or the defense investigators].
- The courtroom deputy will take custody of the exhibits after they are received by the court.

- Parties must deliver to Senior Judge Bataillon's chambers at least five working days before the first day scheduled for trial copies of all exhibits in a three-ring binder organized for use by dividers or tabs.
